

Anthem Blue Cross provider directory and provider data updates

Published: May 1, 2019 - Administrative

It is extremely important that we have accurate and up-to-date information about your practice in our directories. Senate Bill 137 (SB 137), which went into effect on July 1, 2016, requires that Anthem Blue Cross (Anthem) provide our members accurate and up-to-date provider directory data. As a result, Anthem will be conducting ongoing outreaches to all practices to confirm the information we have on file is accurate. Without verification from you that our Provider Directory information is accurate, we will be required to remove your practice from the directories we make available to our members. We appreciate your attention to this matter.
