Published: Mar 1, 2019 - Administrative

In March, anthem.com will be introducing exciting updates to the public provider site. Coming in the next wave of changes, providers can anticipate a new landing page for provider manuals, a redesign of Dental, Electronic Data Interchange (EDI) and Employee Assistance Program (EAP) pages, and the first version of a redesign of Provider Forms, as seen below. This first version of the new Provider Forms will keep growing and evolving in the coming months.

We will continue to keep you informed of upcoming changes to the public provider site as we progress toward streamlining our Web platform and other business processes.
