

Change in email submission of service requests for Federal Employee Program® members

Published: Aug 1, 2021 - State & Federal / Federal Employee Plan (FEP)

Effective November 1, 2021, in order to help ensure our member's security, the Blue Cross and Blue Shield Federal Employee Program (FEP®) will be decommissioning the Utilization Management (UM) email address for processing eReviews, FEPE-Reviews@anthem.com. **As an alternative**, FEP offers providers a secure online portal, Interactive Care Reviewer (ICR).

About the ICR portal

ICR is Anthem Blue Cross and Blue Shield's (Anthem's) innovative UM portal that allows providers, in addition to phone or fax, to submit prior authorization requests and to provide clinical documentation (including imaging) to support initial and continued stay reviews. This enables prior authorization requests and clinical information to be transmitted directly to UM staff.

Key features of the portal

- No cost electronic UM solution
- Instant access from any location at any time
- Create a UM preauthorization case and instantly submit it for review
- Attach clinical documents for review – no faxing required
- Check status of any case regardless of the method used to originally submit request
- Complete record of submissions and dispositions – all in one place
- Bi-directional communication

To submit prior authorization service requests electronically, register for use of ICR prior to **November 1, 2021** on the [Availity portal](#).
