

Clarification to reimbursement policy updates: Modifier Rules and Guidelines for Reporting Timed Units for Physical Medicine and Rehabilitation - professional

Published: Nov 1, 2021 - **Policy Updates** / Reimbursement Policies

In the [January edition of *Provider News*](#), we announced updates to the following reimbursement policies:

- Modifier Rules – professional
- Guidelines for Reporting Timed Units for Physical Medicine and Rehabilitation – professional

For clarification, these modifier updates align with the codes the Centers for Medicare & Medicaid Services (CMS) has designated as “always therapy” services, and require GN, GO or GP modifiers for physical therapy, occupational therapy, or speech-language pathology services when billed on a professional claim.
