Published: Sep 1, 2019 - Products & Programs / Pharmacy

### Empire expands specialty pharmacy prior authorization list

Effective for dates of service on and after December 1, 2019, the following non-oncology specialty pharmacy codes from current clinical criteria will be included in our prior authorization review process.

Please note, inclusion of NDC code on your claim will shorten the claim processing time of drugs billed with a Not Otherwise Classified (NOC) code.

Empire’s prior authorization clinical review of non-oncology specialty pharmacy drugs will be managed by Empire’s medical specialty drug review team. Oncology drugs will be managed by AIM Specialty Health® (AIM), a separate company.
