

Company to retire Blue Precision program at the end of the year

Published: Jul 1, 2021 - **Products & Programs**

For more than a decade, Blue Precision, the Anthem Blue Cross and Blue Shield (Anthem) physician transparency program, has recognized specialists for meeting or exceeding established quality and cost effectiveness measures. Thank you to all those physicians participating in our networks and for the care you provide to our members.

Anthem is announcing that we have made the decision to retire our Blue Precision program effective December 31, 2021. Blue Precision recognition icons and other program information will be removed from [anthem.com](https://www.anthem.com) and our “Find Care” provider tool by January 1, 2022.

Going forward, Anthem will continue to focus and expand our consumer tools and content to assist members in making more informed and personalized healthcare decisions. We look forward to working collaboratively with you in other physician programs to provide our members with continued access to affordable and quality healthcare.
