

## Copay reduction for walk-in center services effective January 1, 2019

Published: Nov 1, 2018 - **Administrative**

Effective January 1, 2019, we will be changing the copay amount when members access care at in-network walk-in centers for certain Anthem products. Those impacted products will have a benefit change that lowers the copay for care at walk-in centers from a specialist level to a PCP level. To verify member benefits, call the toll free number on the back of the member's ID card or access Availity's [online portal](#), as this copay change will not apply to all Anthem products.
