Customizations to the 23rd edition of the MCG Care Guidelines

Published: Sep 1, 2019 - **State & Federal** / Medicare

Category: Medicare

Effective November 1, 2019, customizations will be implemented for Chemotherapy and Inpatient & Surgical Care (W0162) for adult patients. The customizations provide specific criteria and guidance on the following:

- Clinical indications for admission; examples will also be added for:
- Aggressive hydration needs that cannot be managed in an infusion center.
- Prolonged marrow suppression.
- Regimens that cannot be managed outpatient; examples will also be added.

Providers can view a summary of the 23rd edition of the MCG Care Guidelines customizations [online](#) by selecting **Customizations to MCG Care Guidelines 23rd Edition**.
