Does your practice offer telehealth services? Let us know!

Published: Apr 1, 2021 - **Administrative**

Beginning in April 2021, our online directories will identify professional providers who offer telehealth services in their practice.

We encourage providers to utilize the online Provider Maintenance Form to notify us about your telehealth services and we will add a telehealth indicator to your online provider directory profile.

Visit empireblue.com to locate the [Provider Maintenance Form](#). Please contact Provider Services if you have any questions.
