

Electronic data interchange gateway update

Published: Dec 1, 2018 - **State & Federal** / Cal MediConnect

Anthem Blue Cross has designated Availity as a **no-cost option** to operate and service your electronic data interchange (EDI) entry point (or EDI gateway). This designation will ensure greater consistency and efficiency in EDI submission.

Who is Availity?

Availity is well known as a web portal and claims clearinghouse, but they are much more. Availity also functions as an EDI gateway for multiple payers and serves as the single EDI connection.

Your organization can submit and receive the following transactions through Availity's EDI gateway:

- 837 — institutional claims
- 837 — professional claims
- 837 — dental claims
- 835 — electronic remittance advice (ERA)
- 276/277 — claim status
- 270/271 — eligibility request

Get started with Availity:

- If you wish to submit directly to Availity, setup is easy. Go to the [Availity Welcome Application](#) and begin the process of connecting to the Availity EDI Gateway for your EDI transmissions.
- If you wish to use a clearinghouse or billing company, please work with them to ensure connectivity.
