Important reminder regarding Specialty Pharmacy clinical site of care program

Published: Mar 1, 2019 - **Products & Programs** / Pharmacy

AIM Specialty Health® (AIM), a separate company, administers the specialty pharmacy clinical site of care program. Based on the information you provide, AIM will review the drug for both clinical appropriateness and the site of care against health plan clinical criteria when services are requested in the hospital outpatient facility setting. It is important to note that coverage for the site of care is documented within the approved prior authorization. If you need to request a change to the site of care previously approved please contact AIM at 877-430-2288, Monday–Friday, 8:00 a.m.–6:00 p.m. ET.. View the [Clinical Site of Care drug list](#) and [Clinical Site of Care pre-service clinical review FAQs](#) for more information.
