## NEW YORK Provider Communications

### Keep up with important news from Empire and receive notifications by email

Published: Oct 1, 2020 - **Administrative**

In the past Empire BlueCross BlueShield (“Empire”) sent you postcards to make you aware that the monthly Provider Newsletter was posted. To be more ecologically aware we have made the decision to stop printing and mailing reminder postcards, effective immediately.

Provider News is posted the first day of each month – regardless of weekends or holidays. You will receive an email notification when new editions are posted. These email notifications will inform you regarding which articles contain material adverse changes. Please be sure to add [empireprovidercommunications@empireblue.com](mailto:empireprovidercommunications@empireblue.com) to your safe sender/recipient list and inform Empire of any updates to your email address.

You can download single articles or entire editions as a PDF and save to your computer – providing paperless convenience and easy access to pertinent information you may need.
