

Medicare preferred continuous glucose monitors

Published: Oct 1, 2019 - **State & Federal** / Medicare

On January 1, 2020, Anthem will implement a preferred edit on Medicare-eligible continuous glucose monitors (CGMs). Currently, there are two CGM systems covered by the Centers for Medicare & Medicaid Services (CMS) under the Medicare Advantage Part D (MAPD) benefit; these are Dexcom and Freestyle Libre. The preferred CGM for MAPD individual members covered by Anthem will be Freestyle Libre. This edit will only affect members who are newly receiving a CGM system. Members will need to obtain their CGM system from a retail or mail order pharmacy – not a durable medical equipment (DME) facility. For Dexcom coverage requests, call 833-293-0661.
