

New medical claim attachment webinars: Register today

Published: Oct 1, 2020 - **Administrative**

Anthem Blue Cross and Blue Shield providers may now learn how to use Availity's attachment tools to submit and track supporting documentation electronically by attending one of the upcoming live webinars hosted by Availity.

The attachments application is a multi-payer, multi-workflow feature. It allows inclusion of multiple records across a variety of workflows and request types to support different business processes for payers.

By attending one of the upcoming webinars, attendees will learn both the digital and electronic processes that include:

- How your organization gets set up
- Demonstrations of the tools used to submit attachments via Availity Portal
- Navigating the Attachments dashboard
- View electronic records of your submissions

As part of the session, we will answer questions and provide handouts and a job aid for you to reference later.
