New provider directory indicator for telehealth services

Published: Feb 1, 2021 - **Administrative**

Empire BlueCross BlueShield (“Empire”) will begin publishing a new indicator in our online provider directories to help members easily identify professional providers who offer telehealth services.

We encourage providers who offer telehealth services to utilize the online Provider Maintenance Form to notify us and we will add a telehealth indicator to your online provider directory profile.

Visit empireblue.com to locate the [Provider Maintenance Form](#). Please contact Provider Services if you have any questions.
