

## New specialty pharmacy medical step therapy requirements

Published: Mar 1, 2021 - **State & Federal** / Medicaid

Effective for dates of service on and after January 1, 2021, the following specialty pharmacy drugs and corresponding codes from current Clinical Criteria will be included in our medical step therapy precertification review process. Step therapy review will apply upon precertification initiation or renewal in addition to the current medical necessity review of all drugs noted below.

The clinical criteria below will be updated to include the requirement of a preferred agent effective January 1, 2021.

| Clinical criteria | Preferred drug                      | Nonpreferred drug |
|-------------------|-------------------------------------|-------------------|
| ING-CC-0167       | Ruxience (Q5119)<br>Truxima (Q5115) | Rituxan (J9312)   |

The clinical criteria is publicly available on our [provider website](#).
