

Non-preferred products and corresponding preferred alternatives

Published: Mar 1, 2020 - **State & Federal** / Medicare

Beginning January 1, 2020, we will be contacting members using non-preferred products with a high patient cost share about the availability of lower patient cost share preferred alternatives. If the member is interested in switching, we will call or fax their provider who can determine whether the preferred alternative is clinically appropriate. This is strictly informational and not a substitute for physician-directed medical evaluations or treatments.

A list of the included non-preferred products and corresponding preferred alternatives is provided below.
