### Information Center - Access important policies, forms and helpful resources

We're changing!

The **Information Center** is replacing the Education and Reference Center application in Payer Spaces on the **Availity Portal**. There you'll find important policies, forms and helpful resources.

If you're looking for specific education materials, we invite you to visit the Custom Learning Center in Availity, which was designed to offer education/training content and to be a learning environment. Content previously posted in the Communication & Education tab have now migrated there. Find the Custom Learning Center tool in Payer Spaces > Applications > Access the Custom Learning Center.

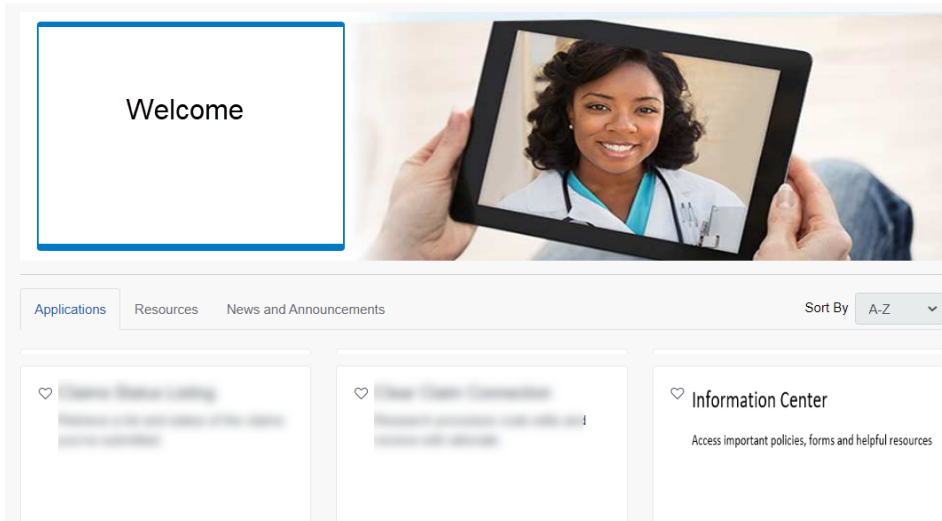

Locate the **Information Center** in Payer Spaces. Depending on your market, the **Information Center** contains a several sections:

- Administrative Support
- Behavioral Health
- Clinical Resources
- Medicaid
- Medicare
- Federal Employee Program (FEP)
