Peer-to-peer process can help clarify clinical record

Published: May 30, 2018 - **State & Federal** / Medicare

The Medicare peer-to-peer process facilitates a conversation between a provider and an Empire medical director. The peer-to-process should be used to explain or clarify something that a clinical record cannot convey. To learn how to initiate a peer-to-peer conversation, please see [Important Medicare Advantage Updates](#) at empireblue/medicareprovider.
