

Prior authorization requirements changes effective November 1, 2019

Published: Oct 1, 2019 - **State & Federal** / Medicare

Effective **November 1, 2019**, prior authorization (PA) requirements will change for the following services. These services will require PA by Anthem Blue Cross and Blue Shield for Medicare Advantage members. Federal and state law, as well as state contract language and Centers for Medicare & Medicaid Services guidelines (including definitions and specific contract provisions/exclusions) take precedence over these PA rules and must be considered first when determining coverage. **Noncompliance with new requirements may result in denied claims.**

PA requirements will be added to the following codes:
