Published: Sep 1, 2021 - **State & Federal** / Medicare

The best way to ensure you're submitting everything needed for a prior authorization is to use the prior authorization/precertification form at <https://www.empireblue.com/medicareprovider> > Providers > Provider Resources > [Forms and Guides](#). By filling out the form completely and with as much information as possible, you can be sure we have the information to process your request timely.
