

Quality Corner: CPT® Category II codes - Collaborating for enhanced patient care

Published: Jun 1, 2020 - **Administrative**

The American Medical Association has an [alphabetical listing of clinical conditions](#) with which measures and CPT Category II codes are associated. The use of CPT Category II Codes and ICD-10-CM codes can reduce the number of medical records that we request during the HEDIS® medical record review season (January – May each year), thus reducing the administrative burden on physician offices.
