

## Register for upcoming CME webinars

Published: May 27, 2021 - Administrative

Join us in a new Continuing Medical Education (CME) webinar series as we share practices and success stories to overcoming barriers in achieving clinical quality goals, attaining better patient outcomes and improving Stars ratings.

Throughout the webinar series, healthcare providers will have the opportunity to learn about strategies to improving performance across a range of clinical areas.

***Attendees will receive one CME credit upon completion of a program evaluation at the conclusion of each webinar.***

Registration for the first two webinars is now available.
