

Reimbursement Policy Update - Scope of License (Professional)

Published: Dec 1, 2018 - **Policy Updates** / Reimbursement Policies

In the December 2017 edition of *Network Update*, we announced a new Scope of License Policy which states that we will not reimburse services performed by a provider that are outside their state license requirements. We are updating our editing systems to deny services deemed to be outside of a specific specialty's scope of license.

For more information about this policy, select your state to visit the Reimbursement Policy page: [Indiana](#), [Kentucky](#), [Missouri](#), [Ohio](#), [Wisconsin](#).
