

Reimbursement Policy Update: Unlisted, Unspecified or Miscellaneous Codes

Published: May 1, 2020 - **State & Federal** / Medicaid

Effective August 1, 2020, Anthem Blue Cross and Blue Shield Medicaid will continue to allow reimbursement for unlisted, unspecified or miscellaneous codes. Unlisted, unspecified or miscellaneous codes should only be used when an established code does not exist to describe the service, procedure or item rendered. Reimbursement is based on review of the unlisted, unspecified or miscellaneous codes on an individual claim basis. Claims submitted with unlisted, unspecified or miscellaneous codes must contain specific information and/or documentation for consideration during review.

For additional information, please review the *Unlisted, Unspecified or Miscellaneous Codes* reimbursement policy [here](#).
