

## Reminder about Medicaid records policy

Published: Sep 28, 2018 - **State & Federal** / Medicaid

Anthem Blue Cross and Blue Shield (Anthem) would like to remind all Medicaid providers of the requirement to maintain an adequate record keeping system for all books, documents, papers, accounting records, recording services, charges and other information related to health services rendered to members enrolled in Hoosier Healthwise, Healthy Indiana Plan and Hoosier Care Connect.

As a result of the MegaReg requirements — issued by CMS to update Medicaid managed care regulations — all records must be maintained and, if requested, made available for 10 years from the date of final claim payment (or as required by state and federal regulations).
