

## Reminder: Changes to timely filing requirements

Published: Nov 1, 2019 - Administrative

Anthem Blue Cross (Anthem) continues to look for ways to improve our processes and align with industry standards. With that in mind, it is also our goal to help providers receive their Anthem payments quickly and efficiently. Timely receipt of medical claims for your patients, our members, helps our chronic condition care management programs work most effectively, and also plays a crucial role in our ability to share information to help you coordinate patient care. In an effort to simplify processes, improve efficiencies, and better support coordination of care, we are changing all professional agreements to adopt a common time frame for the submission of claims to us. **Notification was sent on June 21, 2019, to providers of applicable networks and contracts.**

Effective **for all claims received by Anthem on or after October 1, 2019**, all impacted contracts will require the submission of all professional claims within ninety (90) days of the date of service. This means claims **submitted on or after October 1, 2019** will be subject to a ninety (90) day timely filing requirement, and Anthem will refuse payment if submitted more than ninety (90) days after the date of service<sup>1</sup>.

If you have any questions, email our Network Relations staff at [CAContractSupport@anthem.com](mailto:CAContractSupport@anthem.com).

<sup>1</sup>If Plan is the secondary payor, the ninety (90) day period will not begin until Provider receives notification of primary payor's responsibility.
