Published: Aug 1, 2019 - **Products & Programs** / Pharmacy

In the June 2019 issue of *Provider News* we announced the transition of the medical non-oncology specialty drug review process from AIM Specialty Health® (AIM) to Anthem's medical specialty drug review team, effective June 15, 2019. Here's a reminder of the changes.

What has changed?

- Beginning June 15, 2019, for all **new** specialty drug review requests and **reauthorization** specialty drug review requests that were previously performed by AIM, providers need to contact Anthem's medical specialty drug review team:
 - by phone at 833-293-0659 or
 - by fax at 888-223-0550
- All inquiries about an existing request (initially submitted to AIM or Anthem), peer-to-peer review, or reconsideration are being managed by Anthem's medical specialty drug review team.

What has not changed?

- AIM continues to be responsible for performing **medical oncology drug** reviews for existing commercial medical benefit for our employer group business.
- Specialty drug review processes not previously done by AIM remain unchanged.
- Clinical criteria for **medical non-oncology specialty drugs** continues to reside on the [clinical criteria page](#) on anthem.com.
