

## Routine Obstetrical Services update: professional

Published: Oct 1, 2018 - **Policy Updates** / Reimbursement Policies

We are adding new information for our policy dated January 1, 2019 that reimbursement for global obstetric codes is based on all aspects of global obstetric services (antepartum, delivery and postpartum) being provided by the provider or provider group reporting under the same TIN. If a provider or provider group reporting under the same TIN does not provide all antepartum, delivery and postpartum services, global obstetrical codes may not be used and providers are to submit for reimbursement only the elements of the obstetric services that were actually provided. For more information regarding this update, along with other non-substantive updates (minor language, punctuation, etc.), review the policy dated January 1, 2019 by visiting the [Reimbursement Policy](#) page at [anthem.com/provider](#).
