

## Send larger digital attachments through Availity

Published: May 1, 2021 - Administrative

After receiving your feedback, we expanded our server to meet your need to upload larger files to our digital attachment tool, through [Availity](#). You can now upload files up to 100 megabytes, eliminating the need to mail or fax.

Use the attachment tool to upload:

- Medical records
- Itemized bills
- Payment dispute
- EOB
- General correspondence
- Consent forms

The digital attachment tool file size expansion is just one example of how Anthem Blue Cross is using digital technology to improve the healthcare experience, with a goal to save you valuable time.

Access the attachment tool through [availity.com](https://www.availity.com). From the Claims & Payments header, select Attachments – New. For more information about how to setup electronic attachments, use the Getting Started Guide: Select Help & Training > Find Help and then the Attachments topic in Contents. Once logged on you can also access the [Getting Started Guide](#).

You can also access [Program Integrity attachment](#) from the Custom Learning Center: Payer Spaces > Custom Learning Center > Electronic Medical Records.
