

US Antibiotic Awareness Week

Published: Nov 1, 2020 - **Products & Programs** / Pharmacy

US Antibiotic Awareness Week is November 18-24, 2020! This is a one week observance that gives organizations and providers an opportunity to raise awareness on the appropriate use of antibiotics and reduce the threat of antibiotic resistance. The Centers for Disease Control and Prevention (CDC) has over 10 hours of **free Continuing Education** available for providers.

The CDC promotes *Be Antibiotics Aware*, an educational effort to raise awareness encouraging safe antibiotic prescribing practices and use. *Be Antibiotics Aware* has many resources for health care professionals (in outpatient and inpatient settings) including videos such as *The Right Tool* and *Antibiotics Aren't Always the Answer* that can be utilized in provider's waiting rooms.
