Anthem in Virginia launches new design changes for provider communications on anthem.com

Published: Aug 31, 2018 - **Administrative**

In the August 2018 edition of our provider newsletter, we announced upcoming Web design changes in our ongoing efforts to make it easier for providers to access important information needed in order to do business with us. We are making these changes to our Communications page of the Virginia section of the anthem.com provider website for our primary communications vehicles – our provider newsletter and provider email notices.

Watch for our upcoming October provider newsletter that will be in the new design format as well. With the new design, articles will indicate publication type (provider newsletter or eUPDATE) and date. Articles will be grouped in four categories:

Administrative

Guideline Updates (Includes Coverage and Clinical Guidelines and Reimbursement notices)

Products and Programs (Includes Behavioral Health and Pharmacy notices)

State and Federal (Includes notices about the Federal Employee Program, Medicaid and Medicare)

You'll be able to search for information on a topic using the publication type, date range, categories or key words. We hope you find these changes helpful, as we continue to work to streamline our business processes.

Now Available: Get patient payments faster with Healthcare Bill Payments at anthem.com

Published: Aug 31, 2018 - **Products & Programs**

The new [Healthcare Bill Payments](#) feature on the member portal at anthem.com allows many members enrolled in plans offered by Anthem Blue Cross and Blue Shield and affiliate HealthKeepers, Inc. to make payments to providers for members' out-of-pocket expenses as soon as claims are processed. This new payment option offers members the convenience of making secure payments from the same place they go to view their claims, and helps providers receive payments faster and with less effort.

Anthem launches additional changes to anthem.com in September

Published: Aug 31, 2018 - **Administrative**

Exciting changes are coming to the public provider site on anthem.com this September. As a result of surveys and interviews with numerous health care professionals as well as in-depth analytics research, Anthem Blue Cross and Blue Shield and affiliate HealthKeepers, Inc. will launch our first new pages to the public provider site since the initial home page launch in January 2018.

The redesign will be rolled out in multiple phases with the goal of improving the ease in which providers find the right information and resources they need in order to do business with us.

The new site features an updated look and feel, consistent with the rest of anthem.com. It is designed to make all provider content easier to use and understand. A few of the highlights include updated pages for Join Our Network and Credentialing, a redesigned Provider News page, an easy-to-navigate Provider Resources area, and more.

This mid-September release is the first in a series of quarterly updates. Each will redesign helpful resources for providers that will replace older content on the public provider site.

We'll keep you posted on upcoming changes, as we continue to work to streamline our Web platform and other business processes.

Submit electronic SOAP notes today using ePASS® and receive \$100 each

Published: Aug 31, 2018 - **Products & Programs**

Anthem Blue Cross and Blue Shield and affiliate HealthKeepers, Inc. continue to work with Inovalon – an independent company that provides secure, clinical documentation services – to help ensure that members who have purchased health care plans on or off the Health Insurance Marketplace (also called the exchange) get their diagnoses confirmed, corrected, and updated every year, as well as have potential preventive care gaps addressed. To accomplish this goal, as a network provider with Anthem and HealthKeepers, Inc., you may receive letters from Inovalon on our behalf, asking you to perform patient outreach to identified Anthem patients so that patients can schedule an in-office visit with your practice.

Electronic SOAP notes

Once you see the patient, the next step is for you to complete a subjective, objective, assessment, and plan (SOAP) note – a standardized documentation format of a medical record. By submitting your SOAP notes electronically via Inovalon's ePASS® tool, you will receive \$100 for each fully and properly completed SOAP note submitted for 2018 dates of service.

ePASS is a powerful clinical resource tool. Here's how:

- o Meets the Centers for Medicare & Medicaid Services' (CMS) SOAP note standards.
- o Supports documentation of a comprehensive history and physical as well as a medication review for confirmed chronic conditions.
- o Identifies screening and preventive care measures and potential gaps.
- o Provides relevant quality metric reporting opportunities.
- o Saves time as ePASS submissions are faster than manual submission of paper notes.

Questions or assistance

Need help with ePASS or have questions? Simply email your inquiry to Inovalon at ePASSsupport@inovalon.com with your name, organization, contact information, and any questions that you might have. Trained representatives are available to assist you. If you prefer to reach Inovalon by phone, please call **1-877-448-8125**, Monday – Friday, 8 a.m. – 8 p.m. ET; Saturday – Sunday, 10 a.m. – 6 p.m. ET.

For a practical overview of ePASS, please refer to Inovalon’s online document: [Frequently Asked Questions](#).
