Independent licensees of the Blue Cross and Blue Shield Association. Anthem is a registered trademark of Anthem Insurance Companies, Inc. The Blue Cross and Blue Shield names and symbols are registered marks of the Blue Cross and Blue Shield Association. Use of the Anthem websites constitutes your agreement with our Terms of Use.

Join the American Heart Association for a CME webinar on hypertension and diabetes disease management

Published: Oct 5, 2021 - Administrative

In partnership with the American Heart Association (AHA), join us for a CME webinar led by medical experts about best practices in chronic disease management of your patients with hypertension and diabetes.

Apply the knowledge you gain from the webinar to help improve health outcomes and reduce therapeutic inertia, in addition to improving your organization's quality ratings.

Chronic disease management strategies for your patients with hypertension and diabetes

Date: Friday, October 8, 2021

Time: 12:00 p.m. ET

Presented in partnership with the American Heart Association (AHA), this webinar will:

- Share methods to improve blood pressure control rates through the AHA/AMA joint Target: BP™ evidence-based quality improvement program
- Learn about the M.A.P. Framework (Measure Accurately, Act Rapidly, and Partner with Patients, Families and Communities)
- Share strategies to avoiding and overcoming therapeutic inertia in your patients with diabetes

Attendees will receive one CME credit upon answering the required CME questions at the conclusion of this webinar.
