Join The Fenway Institute for a CME webinar about improving your LGBTQIA+ patient interactions

Published: Oct 21, 2021 - Administrative

Join a live webinar, “*LGBTQIA+ Care: Delivering Trust and Belonging with Every Interaction*,” presented by the National LGBTQIA+ Health Education Center at The Fenway Institute.

The Education Center provides educational programs, resources, and consultation to health care organizations with the goal of optimizing quality, cost-effective health care for lesbian, gay, bisexual, transgender, queer, intersex, asexual, and all sexual and gender minority (LGBTQIA+) people.

One in four LGBTQIA+ people avoid care because they have felt disrespected or discriminated against within a healthcare setting¹. Additionally, only 52% of medical professionals would rate their knowledge and education about clinical needs of LGBTQIA+ patients as good/very good². Learn how to improve your interactions with LGBTQIA+ patients in this informative webinar.

The webinar will cover:

- Concepts, terminology, and lessons in building a greater understanding of the barriers this community faces
- Health disparities and stigma faced by LGBTQIA+ patients and their specific health care needs
- How to apply affirming and put into action effective communications to every LGBTQIA+ patient visit

Space is limited. Register today to secure your spot.
