Additional changes to anthem.com launching in September

Published: Aug 30, 2018 - **Administrative**

Exciting changes are coming to the public provider site on anthem.com this September. As a result of surveys and interviews with numerous health care professionals as well as in-depth analytics research, we will launch our first new pages to the public provider site since the initial home page launch in January 2018.

The redesign will be rolled out in multiple phases with the goal of improving the ease in which providers find the right information and resources they need in order to do business with us.

The new site features an updated look and feel, consistent with the rest of .com. It is designed to make all provider content easier to use and understand. A few of the highlights include updated pages for Join Our Network and Credentialing, a redesigned Provider News page, an easy-to-navigate Provider Resources area, and more.

This mid-September release is the first in a series of quarterly updates. Each will redesign helpful resources for providers that will replace older content on the public provider site. We'll keep you posted on upcoming changes, as we continue to work to streamline our Web platform and other business processes.

Submit electronic SOAP notes today using ePASS® and receive \$100 each

Published: Aug 30, 2018 - **Administrative**

We continue to work with Inovalon – an independent company that provides secure, clinical documentation services – to help ensure that members who have purchased health care plans on or off the Health Insurance Marketplace (also called the exchange) get their diagnoses confirmed, corrected, and updated every year, as well as have potential preventive care gaps addressed. To accomplish this goal, as a network provider with us, you may receive letters from Inovalon on our behalf, asking you to perform patient outreach to identified Anthem members so that members can schedule an in-office visit with your practice.

Electronic SOAP notes

Once you see the member, the next step is for you to complete a subjective, objective, assessment, and plan (SOAP) note – a standardized documentation format of a medical record. By submitting your SOAP notes electronically via Inovalon's ePASS® tool, you'll receive \$100 for each fully and properly completed SOAP note submitted for 2018 dates of service.

ePASS is a powerful clinical resource tool. Here's how:

- Meets the Centers for Medicare & Medicaid Services' (CMS) SOAP note standards

- Supports documentation of a comprehensive history and physical as well as a medication review for confirmed chronic conditions
 - Identifies screening and preventive care measures and potential gaps
 - Provides relevant quality metric reporting opportunities
-
- Saves time as ePASS submissions are faster than manual submission of paper notes

Questions or assistance

Need help with ePASS or have questions? Simply email your inquiry to Inovalon at ePASSsupport@inovalon.com with your name, organization, contact information, and any questions that you might have. Trained representatives are available to assist you. If you prefer to reach Inovalon by phone, please call 877-448-8125, Monday – Friday, 8 a.m. - 8 p.m.; Saturday – Sunday, 10 a.m. – 6 p.m.
